SECTION A

AGREEMENT GUIDE AND KEY TERMS

We recognise that moving into a care home is a significant decision. Our aim is to assist you in making the right choice by making the terms upon which we provide care and accommodation clear and transparent. We will be entering into an agreement in which both parties will have rights and obligations. In our Terms and Conditions, we have attempted to set out in plain English those rights and obligations.

You will have been provided with our '**Key Information**' and '**Further Information**' fact sheets which set out information that we consider is important to share with you to assist you making an informed decision about whether you want to move into our care home. These Terms and Conditions include and expand upon the information set out in those fact sheets.

The Terms and Conditions form part of the Agreement. By signing the Agreement, you are entering a legal agreement. We therefore advise that you review both the Agreement and Terms and Conditions carefully and seek independent legal advice should any issue be unclear.

KEY TERMS

In the Terms and Conditions, we have highlighted in blue the "Key Terms". We draw your specific attention to the following key terms and advise that you consider these carefully. Please note the following points are a summary only and you are referred to the full Terms and Conditions.

TRIAL PERIOD: (Clause 5) You are entitled to a trial period of 28 days or longer if agreed with the manager in writing. During this period, you may terminate your placement on 7 days' notice.

FEES and FEE REVIEWS: (Clauses 6 – 8) The fee payable is set out in the Agreement for the Provision of Care Services ('the Agreement') and the Statement of Fees set out in Appendix 1 to the Agreement. Our range of fees is set out in the **Key Information Fact Sheet**. Fees are payable monthly in advance. The services covered by the fees include standard care, accommodation, food, laundry, utilities and a range of activities. We are able to provide additional services at additional cost. Staff escorts to appointments are additional services and charged at additional cost. Payments towards your fees made by any other funding body (Local Authority/NHS) will be deducted from the amount you are required to pay. However, you remain liable for the total fee. If your needs change and you require a higher level of care the fees charged may increase. Fees are reviewed annually or if there is a change in your needs or if there is a significant legislative change that impacts upon our costs. We may undertake an assessment of your ability to pay our fees and may require that you have sufficient funds to pay our fees for a minimum period of 1 year. We will provide you with 28 days' written notice of an annual fee increase.

CHANGES IN FUNDING ARRANGEMENTS: (Clause 9) If you become eligible to receive state funded assistance towards the cost of your fees or indeed in full payment of your fees, the amount/contribution you receive may not meet the whole amount of our fee and you or a family member may be required to meet the shortfall. If you are unwilling or unable to meet the shortfall, we may have to terminate the placement.

GUARANTOR: (Clause 9) If you are unable or unwilling to provide evidence of your financial means demonstrating that you are able to meet our fees, or at our discretion, we may request that someone acts as a guarantor. The guarantor will be required to enter into a formal agreement in which they guarantee to pay our fees should you fail to do so. If the guarantor is unable to pay, we may have to commence court proceedings to recover the sums due and further we may have to terminate this agreement.

THIRD PARTY TOP UP AGREEMENT: (Clause 9) If you become eligible for local authority funded assistance the amount that the local authority pays to us may not meet our total fees. If this is the case, we may require that a third person, (usually a family member) agrees to pay a top up fee. A formal agreement will be entered into between the third party and the local authority. The third party should be aware that they will liable to pay this fee throughout the period of your residency whilst your fees continue to be paid by the local authority. Default by the third party may result in you being having to leave the Home.

ADDITIONAL FEE FOR SUPERIOR STANDARDS/SERVICES AGREEMENT: (Clause 9) If you become eligible for NHS Continuing Healthcare Funding, all of your healthcare and social care needs will be met by the NHS. The CHC fees meet the costs of the care and accommodation required to meet your assessed care needs. Whilst the amount that the NHS pays will meet be sufficient to meet your assessed needs, this may not be meet our full fees. If you choose or we provide a higher standard of accommodation than required to meet your assessed needs', you may be required to pay an additional fee for the higher quality accommodation and/or additional services provided.

FIRST PARTY TOP UP AGREEMENT (12 WEEK PROPERTY DISREGARD): (Clause 9) When entering a care home for the first time a local authority may undertake a financial assessment to determine if you are eligible for state funding. During the first 12 weeks of your placement the local authority will disregard the value of your property in determining whether you are eligible to receive state funding. If the local authority assesses that you are eligible to receive state funded care or a contribution to your care costs, the amount that the Local Authority may agree to pay may not cover our full fees. In this situation you may be required to pay a Top Up to meet the full cost of our fees. This is known as a 'First Party Top Up'.

FIRST PARTY TOP UP – DEFERRED PAYMENT AGREEMENT: (Clause 9) If you have a property to sell a local authority may enter into a Deferred Payment Agreement with you whereby it agrees to meet the costs of care until such time as your property is sold and you will repay to the local authority fees paid on your behalf. The Local Authority may not agree to pay our full fees. In this case you may be required to pay the difference. This is known as a 'First Party Top Up'.

TERMINATION: (Clause 10) Other than in the Trial Period, either party may terminate this agreement on 28 days' notice. Shorter notice of termination can be given by us if; sums due under the Agreement are not paid, we are unable to meet your needs or if your behaviour or the behaviour of a relative or visitor places you, other residents or our staff at risk of harm.

DEPOSIT: (Clause 11) On admission to the Home you may be required to pay a security deposit equal to 1 months' fees. The deposit will be retained in a ring-fenced account. Any sums owing to the Company on termination of the Agreement will be deducted from the deposit and the balance repaid to you.

INSURANCE: (Clause 12) The Company's insurance policy covers personal effects to the value of £500 (except cash) and high-risk items including jewellery, hearing aids and dentures.

TEMPORARY ABSENCE:(Clause 19) If you are temporarily absent from the Home, we will keep your room for you. We will continue to charge our full fee. If your absence becomes prolonged (over 8 weeks) and you wish us to keep your room, we will review our fees to see if we are able to offer a discounted fee. However, many of our costs; for example; staff, mortgage, utilities are fixed costs which will not reduce if you are absent from the Home. If the NHS stops paying FNC contributions during a period of absence the fees that you are required to pay may increase.

COMPLAINTS: (Clause 21) If you are unhappy with any aspect of the service you have the right to complain. We have a robust complaints' process, the details of which are set out in our complaints policy. If you have cause to complain this will not affect your care and treatment and rights under the Agreement.

VARIATION: (Clause 23.5) We reserve the right to vary the Terms and the Condition of the Agreement in order to be able to deliver an effective and efficient service. If we vary the terms we will always act reasonably. Variations will be made in writing and 4 weeks' notice will be given.

LASTING POWER OF ATTORNEY: (Clause 22) If in the future a Resident no longer has the mental capacity to manage their affairs, they may need a representative appointed. Not having a Power of Attorney appointed can impact upon your ability to pay your fees and meet your obligations under this Agreement. We therefore recommend that you arrange for the appointment of a Power of Attorney to manage your financial affairs in the event that you are no longer able to.

2. PHILOSOPHY OF CARE

- 2.1. The Company will try to provide a comfortable and happy home and hopes that its residents will enjoy living at the Home. The Company, the staff and management within the Home will do everything possible to respect residents' rights, particularly by observing the values of privacy, dignity, independence and choice which can be threatened by living in a communal environment and having to cope with disabilities. The Company recognises that providing good care is a co-operative process and it will attempt to consult its residents and, where appropriate, their relatives, friends and representatives at all times and as fully as possible. This document should be read and interpreted in light of these principles.
- 2.2. The Company aims at all times to comply with the Fundamental Standards and regulatory requirements within the Home.

3. RIGHTS OF RESIDENCY/ROOM ALLOCATION

- 3.1. Residency in the Home does not constitute any tenancy nor an assured tenancy under the Housing Act 1988 and does not create or infer any right to security of tenure. The Resident will be allocated a room on admission which they will occupy as a licensee only.
- 3.2. The Company would not normally ask a Resident to move from one room to another; however, we reserve the right to relocate a Resident at any time to ensure we are able to deliver effective and efficient care services in line with assessed needs. The Company will undertake to provide a reasonable period of notice of such relocation and will discuss reasons with the Resident and their representative unless there are exceptional circumstances which require an urgent move. If such a move is unacceptable to the Resident or the Client, then they have the right to terminate the Agreement with immediate effect without penalty.
- 3.3. The Company shall have, and requires, full, free and unrestricted access to the room in order, amongst other things, to provide the services referred to in this document.

4. HEALTH

- 4.1. On acceptance of their residence at the Home, a care plan will be prepared to outline the management of the Resident's care. The Resident (or where appropriate), their

appointed representative/relative(s)) will be invited to state what they want from their care and will be advised as to how we will endeavour to meet these objectives.

4.2. The Company will comprehensively assess and document the Resident's health needs. Care will be provided in accordance with that assessment to ensure that the Resident's needs are met including:

- Maintaining personal and oral hygiene;
- Identifying pressure sores or the risk of developing pressure sores and undertaking appropriate preventative action;
- Supporting Residents with continence in accordance with their NHS continence assessment;
- Monitoring mental health;
- Ensuring that the necessary aids and equipment are provided and used;
- Providing appropriate opportunities for exercise and physical activities;
- Identifying and acting on any risk of falling;
- Regularly assessing and acting on nutritional needs including monitoring weight gain or loss;
- Enabling the Resident to register with a GP and dentist of their choice, subject to the GP and dentist's agreement;
- Facilitating access to specialist medical, nursing, dental, pharmaceutical, chiropody and therapeutic services, and hospital and community health care as required;
- Ensuring access to hearing tests and sight tests and to appropriate aids;
- Providing information and/or signposting for advice about entitlements to health care;
- Informing the Resident's next of kin or representative of serious illness or death.

The above list is not exhaustive, and the Company will discuss with the Resident (and their representatives) their health needs and access to health care.

5. TRIAL PERIOD

5.1. The Resident will be entitled to a trial period on first being admitted to the Home. This will be for a period of 28 days from the date of admission or for such other period as shall be agreed in writing between the Manager and the Resident and/or Client.

5.2. Notice of one week will be required from either party to terminate the Agreement during this trial period.

5.3. All fees as prescribed in clause 6 are payable during this period.

6. FEES

6.1. The Total Fees payable for the provision of services are set out in the Agreement and the Statement of Fees at Appendix 1.

6.2. Fees are payable from the date when we are informed by the Resident (or on their behalf by their appointed representative/relative) that they wish to come to the

Home, and we hold a place for them unless otherwise agreed with the Manager in writing.

6.3. Unless otherwise provided for within this Agreement, the Total Fees payable under this Agreement remain the liability of the Client.

Services Included in Basic Fee

6.4. Unless otherwise stated, the fees charged under this Agreement for the services provided hereunder include:

- staffing the Home on a 24-hour basis to provide a medium level of care and support services in accordance with the Resident's assessed needs,
- accommodation,
- full board including snacks,
- cleaning of rooms,
- a range of activities,
- periodical decorating of the Resident's room,
- the provision of professionally qualified nursing staff (where the Resident is admitted as a nursing Resident),
- a reasonable choice of menus (including special diets),
- the laundering of bed linen and personal clothing not requiring dry cleaning.

Fees for Enhanced Care

6.5. Some Residents will at the time of admission or during the period of their residency require enhanced levels of care, for example one to one supervision or care. If enhanced care is required (including one to one care), an additional fee will be charged calculated on the basis of the enhanced level of care that is required.

6.6. If the Resident has been assessed as requiring enhanced levels of care before admission our additional fees charged will be set out in the Statement of Fees.

6.7. If the Resident's needs change during the period of their residency, requiring enhanced levels of care, the Company may increase the fees in order to meet this enhanced level of care. An assessment of need will be undertaken before the fees are increased.

6.8. We will use our reasonable endeavours to provide the Client with 7 days' notice in the event that enhanced levels of care are required. Enhanced levels of care will only be initiated without 7 days' notice by the Company in the event that this is required in order to protect the Resident, other residents or staff from the risk of harm. In this case we will give the Client prior notice of the increase in fees. If you do not wish to pay the fees for the enhanced levels of care you can terminate this Agreement without penalty with immediate effect.

Funded Nursing Care Contributions from the NHS

6.9. If the Resident requires nursing care, the CCG will assess whether you are eligible to receive Funded Nursing Care (FNC). FNC is a payment made by the NHS to the

Resident towards the costs of nursing care provided by a registered general nurse. If the CCG has assessed that you are eligible for Funded Nursing Care (FNC) and agrees to pay this direct to the Home this will be deducted from the **Total Fee** set out in Appendix 1 and you will be charged the net amount. The Client will, however, remain liable for the **Total Fee** in the event that FNC funding is withdrawn or if the CCG defaults on payment.

- 6.10. If the resident is admitted to hospital, the CCG may stop making FNC payments to the Home during the period of the admission. As the Client remains liable for the **Total Fee**, this may result in an increase in fees payable by the Client.

Payment of Fees

- 6.11. Fees are payable in advance on the first day of each month paid by Standing Order or Cheque unless alternative arrangements are agreed in writing.
- 6.12. All accounts must be settled within seven days of presentation of an invoice.
- 6.13. If written notice to terminate this Agreement has been given by the Company or by the Client in accordance with the terms of this Agreement, then any fees paid in advance to the Company (insofar as those fees cover a period that is in excess of the required notice period) will be apportioned on a pro-rata basis and reimbursed to the Client save for any deductions made in accordance with the Terms and Conditions set out herein.
- 6.14. Any amount due within the terms of this Agreement and not paid to the Company on its due date will bear interest from the due date to the date of actual payment at a rate of 2% above the Bank of England Base Rate. Interest due must be paid together with the amount of arrears in question.
- 6.15. The Company is entitled to recover all legal fees and other expenses incurred in pursuing payment of any overdue fees and other sums payable under the Agreement that are not paid in accordance with these Terms and Conditions.

7. FEE REVIEWS

- 7.1. The fees that the Company charge are calculated taking into account a number of factors. In order to comply with regulations, we must ensure that we are financially viable. There are a significant number of external factors that influence our costs and consequently the fees that we charge. For example, the rates that the NHS pay nurses can impact upon the rates that we are required to pay in order to recruit the best staff, the amount the local authority and CCG pay for state funded residents can impact upon our revenue and the fees that we have to charge. The Company uses its

reasonable endeavours to ensure the basis for any increase in fees charged is reasonable and transparent.

7.2. The Company will carry out a review of its fees annually, or more frequently if one of the events set out in **clause 7.5** below should arise.

7.3. The Company's annual fee review takes place on 1 June.

7.4. The Company's fees will increase by 5% per annum.

7.5. In addition to annual fee reviews the Company will carry out a review of its fees if one of the following situations arise:

7.5.1. There is a change in the Resident's care needs;

7.5.2. There is a change in any legal requirements to which the Company is subject and which will lead to an immediate increase in the Company's costs;

7.5.3. There is an increase in the level of FNC paid by the CCG to reflect the increase in costs in providing nursing care.

7.6. Save for where there is an urgent need to provide enhanced levels of care as set out in **clause 6.5** above, the Company will notify the Client at least 4 weeks in advance of any increase in the Company's fees (insofar as this is practicable) or as soon as is reasonably practicable.

7.7. In circumstances where there is an urgent need to provide enhanced levels of care to avoid harm, we will provide you with immediate notice of any fee increase the additional care will entail, if you do not agree with our decision we will liaise with relevant independent professionals and provide you with the opportunity to leave without penalty when the fee increase takes effect.

8. ADDITIONAL SERVICES

8.1. The Additional Services listed below are **not** included within the fees and are available to you at an extra charge or you can provide them yourself. The details of these extra

charges will be provided upon request and before the additional services are provided.

9. CHANGES TO FUNDING ARRANGEMENTS

Eligibility for Local Authority Funding

9.1. During the period of your residency circumstances may arise that lead to a change in the Funding Arrangements. If the Resident is not eligible for Local Authority financial assistance at the time they enter into this Agreement, they may become eligible in the future. It is therefore important that the Client is aware of the criteria for Local Authority financial assistance and that we are able to establish at the beginning of this Agreement how long the Client will be responsible for meeting the Company’s fees out of the Resident’s/Client’s own financial resources. The Company at its discretion may therefore require details of the Resident’s financial status as set out

in Appendix 2. All financial information which is provided to us will be kept strictly confidential.

- 9.2. If the Client is unwilling to provide details of the Resident's financial resources or if the Company determines that the Resident's financial resources are insufficient to pay the Company's fees for a minimum of one year, the Company at its discretion, may require a Guarantor Agreement to be entered into as set out in Appendix 3. The Guarantor will be responsible for meeting the fees if the Client fails to pay the fees due under this Agreement. The Guarantor will be given reasonable notice of the amount of any payment(s) due as they arise, together with an invoice for payment as soon as practicable. We will use our best endeavours not to allow arrears to build up without notifying the Guarantor.
- 9.3. The Client remains liable for the Total Fees agreed in this Agreement until the Agreement has been terminated. It is therefore important that the Client regularly reviews the financial position so that an application for Local Authority funding can be made in advance of the Client falling below the financial banding when assistance is available.
- 9.4. The Client agrees to provide the Company with 3 months' prior notice of the Resident becoming eligible for Local Authority funding.
- 9.5. If the Resident becomes eligible for Local Authority financial assistance, this Agreement will need to be terminated in accordance with the termination provisions set out in **clause 10** and a new Agreement will be entered into between the Company and the Local Authority covering the new financial arrangements. The fees we charge may be higher than the fee which Local Authorities will pay. If the Resident becomes Local Authority funded, it may be necessary for the Company and/or the Local Authority to enter into a separate Agreement with a third party (typically a family member) to meet the shortfall between the amount the Local Authority pays and our fees. This is referred to as a **Third-Party-Top-Up**. The Client should be aware should there be a shortfall in fees, if a third party is not prepared to enter into a Third-Party-Top-Up agreement to meet this shortfall, the Company may have to terminate the placement.
- 9.6. A Third-Party-Top-Up agreement should be arranged through the Local Authority. Before agreeing the Third-Party-Top-Up the Local Authority is required to consider whether it should meet the full cost of your placement. If the Local Authority does not provide its authority to a Third-Party-Top-Up Agreement, the Company may have to terminate the placement. If the third-party defaults on the Third-Party-Top-Up payments, the Company may have to terminate the placement.

Eligibility for Continuing Health Care Funding or Funded Nursing Care

- 9.7. If the Resident is admitted as a residential resident and the Resident's needs change, we will undertake a reassessment to determine whether the Resident requires

nursing care. This may result in an increase in the weekly fee we charge to reflect the higher level of needs.

- 9.8. If we consider that the Resident requires nursing care, we will request an NHS assessment to determine whether you are eligible to receive **Funded Nursing Care (FNC)** or **Continuing Health Care (CHC)**.
- 9.9. If you are assessed as eligible to receive Funded Nursing Care (a payment by the NHS towards the costs of care provided by a registered nurse) this may not cover the full increase in our fees. This is because residents who are assessed as requiring nursing care may also have higher personal care needs or because not all of your care needs can be met by the contribution made by the NHS. We shall give you 28 days' notice of any changes to the fees that will be charged.
- 9.10. Should the Resident's care needs change, so that nursing care requirements become their 'primary care need', the Resident may become entitled to NHS **Continuing Healthcare (CHC) funding**. This is where the NHS will pay the care and accommodation costs which the NHS assesses are required to meet the Resident's assessed care needs. The fees that the NHS pays for NHS Continuing Healthcare is an amount that they deem sufficient to meet your assessed care needs and this may be less than our fees. This is because the quality of accommodation and non-healthcare services that the Company provides are of a higher standard than that which is required to meet your assessed needs. The additional fees that we charge are to reflect the higher standard and quality of accommodation, better facilities and services provided.
- 9.11. If the NHS does not agree to meet our full fees at the time the Resident is determined to be eligible for NHS Continuing Healthcare funding, the Company may make an additional charge to cover its additional costs of providing this higher standard of accommodation and better facilities and services which the Resident may be receiving which go beyond those which are necessary to meet your assessed care needs. This fee will be met by the Client. At the time when we are informed of eligibility for NHS Continuing Healthcare funding, you will be informed as to the amount of these extra charges. If they are agreed, it will be necessary at that time to enter into a new agreement detailing these charges and the funding arrangements to cover them. If the fees are not agreed, we may be able to move you to a standard/lower fee room if one is available. You should be aware that if you are not prepared to enter into an agreement to pay the difference in fees and an alternative standard room is not available, the Company may have to terminate the placement.
- 9.12. In some circumstances a Local Authority or the NHS may retrospectively determine a resident is entitled to receive Local Authority financial assistance, FNC or NHS Continuing Healthcare funding. Should this happen the Client will remain liable for the full fees charged under this Agreement up until the time when this Agreement is terminated in accordance with the Terminations provisions set out in **Clause 10**, and a new agreement entered into between ourselves and the funding body. If the fees the Local Authority or NHS agree to pay are lower than those that we charge,

the fees under this Agreement remain payable until this Agreement is terminated. Any refunds will be made to the Client by the Local Authority and/or NHS. The Company will not be liable for refunding any fees paid under this Agreement.

Twelve Week Property Disregard

- 9.13. When undertaking a financial assessment to determine eligibility for local authority funding a Local Authority will disregard the value of the Resident's property for a period of 12 weeks. This may result in the Local Authority meeting all or contributing to the costs of the Resident's care during this period. If the fees the Local Authority agrees to pay during this period are lower than the fees we charge, you may be required to meet any shortfall. This is called a 'First Party Top Up'.

Deferred Payment Agreement

- 9.14. If you have entered into a Deferred Payment Agreement with the Local Authority, the Local Authority will pay the costs of your care until you have sold your property. If the fees the Local Authority agrees to pay during this period are lower than the fees we charge, you may be required to meet any shortfall. This is called a 'First Party Top Up.'

10. TERMINATION

Termination on Death

- 10.1. This Agreement will terminate immediately on the Resident's death. In such circumstances, the Company's fees may be charged for up to three days following the Resident's death to enable the room to be cleared. If the room is not cleared the Company will continue to charge fees for a maximum of 10 days, following which personal possessions will be removed from the Home and placed in storage. Storage charges will be met by the Client.

- 10.2. If the room is occupied by a new resident during this period fees will not be charged.

- 10.3. Any fees paid in advance to the Company to cover the period after the Resident's death will be reimbursed save to cover any costs and expenses that may have been incurred in respect of the Resident before the date of death and up to the date the room is cleared.

- 10.4. On the Resident's death, the Client agrees to inform the Company of the details of the executors/administrators appointed by the Resident's estate.

- 10.5. The Client agrees to inform the appointed executors/administrators of the Resident's estate of any fees that remain outstanding within 7 days of the date of the Resident's death.

Termination by the Company

10.6. The Company may terminate this Agreement in any of the following situations:

10.6.1. the Client fails to pay the fees due and payable under this Agreement;

10.6.2. the Company can no longer provide care which is appropriate for the Resident's needs within the Home;

10.6.3. there is an irreconcilable breakdown in the relationship between the Resident and/or the Resident's relatives or representatives which interrupts the service or safe delivery of care to the Resident or other service users;

10.6.4. the Home closes and/or the Company's registration in respect of the Home is cancelled;

10.6.5. where in the opinion of the Company the Resident is disruptive and/or presents a risk to the welfare of the other service users in the Home, or its staff (in which case the Company's right to cancel will be exercised reasonably taking account of the type of care that the Home has agreed to provide to the Resident and after all reasonable efforts have been made by the Company to manage the risk);

The Client pays the deposit as security for the performance of the Resident and Client's obligations under this Agreement and to pay and compensate the Company for the reasonable costs of breach of these obligations. Specifically, on termination of this Agreement by either party any payments due by the Client to the Company will be paid from the deposit.

14. EQUALITY AND DIVERSITY

- 14.1. We operate an equal opportunities policy with regards to the users of our services and to the employment of staff. This being the case, the Resident has the right to refuse the care of any employees at the Home for their own personal reasons, but if in an emergency that member of staff is the only person qualified available to give the necessary care and the Resident continues to refuse that person's help it will be entirely at the Resident's own risk.
- 14.2. The Resident's cultural and religious beliefs will be respected, and we will endeavour to meet all of their reasonable requirements so far as is reasonably practicable.

15. VISITING

- 15.1. Visiting times are as flexible as possible. There are no restrictions but if treatments are to be carried out during the course of a visit the Home may request that visitors wait outside the room until the Resident is ready to receive them. We generally discourage any visitors during mealtimes in order that we can fully concentrate on supporting the Service Users to enjoy their food and that they are adequately fed. If you would like to accompany your relative at mealtimes, we would like to request you to arrange this in advance so that we can make provision to accommodate you at mealtimes.

If the Resident wishes to self-administer all or some of their prescription or non-prescription medications and treatment creams, then an assessment of their capability to self-medicate will be undertaken at the time of admission. If the assessment indicates that self-medication is appropriate, the Resident will be asked to sign an agreement recording the decision and from that point the Company accepts no responsibility and will have no liability in such circumstances unless due to any act of neglect or default on the part of the Company or its agents or an employee of the Company. This agreement, when signed, will be placed in the Resident's care file. The Company will review the assessment on an ongoing basis. The Home will be responsible for ensuring you receive your medication from the pharmacist on a regular basis.
- 16.3. If the Resident either chooses not to be self-medicating or the assessment of the Resident's capabilities indicates that they are not capable of self-medicating, then the medications and treatment creams will be retained by the Manager or person in charge on admission.
- 16.4. In the event that a Resident who has not signed a self-medicating agreement wishes to self-administer any non-prescribed medications and treatment creams e.g. paracetamol, the Resident should inform the Manager or nurse in charge before doing so and the Company accepts no responsibility and will have no liability in such circumstances unless due to any act of neglect or default on the part of the Company or its agents or an employee of the Company.

The Home will use all reasonable endeavours to prevent damage to clothing. However, we request that all items of clothing are machine washable at high temperatures and can be tumble dried. The Company does not accept responsibility for lost items that are not appropriately labelled. The Company does not accept responsibility for damaged caused to items not suitable for washing at high temperatures and being tumble dried.

17.7. [The Resident may request a key to their room and this request is to be documented. Such a request will only be refused by management if it would deem to place the Resident or other Residents at risk. Any decision will be discussed with the Resident.]
